

OTTAWA

Redistribution Will Be Battle to Death

By H. M. MORDEN

Agreement Impossible—Leaders Serve Notice of Fight to Finish

OTTAWA, May 20.—Battle to the death in the westward Ottawa and Quebec are the provinces now involving themselves in a fight to finish a redistribution.

From both the major party leaders have definite statements on the subject. The Conservative leader, Mr. Bennett, has said that he will not support a redistribution of the seats in the House of Commons until the present majority is secured. The Liberal leader, Mr. Mackenzie King, has said that he will support a redistribution of the seats in the House of Commons if the present majority is secured.
